Since October 2013, all local authorities have been required to review their polling districts, polling places and polling stations every five years.

The review requires the council to-

- Seek to ensure that all the electors in the constituencies have such reasonable facilities for voting as are practicable in the circumstances.
- Seek to ensure that so far as is reasonable and practicable, the polling places they are responsible for are accessible to all electors, and when considering the designation of a polling place, must have regard to the accessibility needs of disabled persons.

The following is not considered as part of the review –

- The changing of any district ward boundaries (which can only be done by statute following an electoral review carried out by the Local Government Boundary Commission). This review is concerned only with the administrative subdivision of a ward into polling districts which are then assigned polling places;

  Or

- The changing of polling districts in areas which are also aligned with parish boundaries and therefore cannot be amended during this review (these can only be amended during a Community Governance Review).

As part of this review the council will be consulting with a wide range of interested persons and organisations. We value your opinions and will use any feedback received to help us decide on any change to venues that may

The following documents are available to assist with any representation –

Polling Stations within Harborough District 2016

Details of the Polling Station Review
