Regulations 2012

### Harborough Local Plan 2011 to 2031 Proposed Submission (including Policies Map and Sustainability Appraisal)

#### Subject matter and area covered:

Harborough District Council has prepared the Harborough Local Plan Proposed Submission, which it intends to submit for independent examination. The Local Plan provides an overall vision for the District, a number of specific objectives and a detailed set of policies to explain how the vision and objectives will be achieved, together with a Policies Map which shows where policies apply. The Local Plan Proposed Submission includes proposed land allocations for housing, employment and retail to meet the District's objectively assessed need. The Local Plan also identifies sites which are proposed to be protected as Local Green Spaces. A Sustainability Appraisal accompanies the Harborough Local Plan Proposed Submission.

The Harborough Local Plan, along with 'made' neighbourhood plans and minerals and waste plans, when adopted, will form the overall development plan for Harborough District.

#### Period for representations:

The period for submission of representations will run for eight weeks from Friday 22<sup>nd</sup> September to Friday 17<sup>th</sup> November 2017. **Representations should arrive no later than 5.00pm on 17<sup>th</sup> November 2017.** Anonymous representations or representations received outside these dates will not be accepted.

All representations should clearly specify in what respect(s) the Plan is considered to be unsound, and what change(s) would need to be made to make it sound.

Please note that copies of all comments will be made available for the public to view (including your name, but will not include any personal addresses or signatures), and therefore cannot be treated as confidential.
