
Appendix B: Data Register

Appendix B: Data Register

ISSUED BY	DESCRIPTION	CONFIDENCE
Harborough DC	Harborough District Local Development Framework (Discussion Paper) – Planning for future homes and jobs, Harborough District Local Plan, Harborough District Local Development Framework, HDC Flood Defences (x 2), HDC Flood Contingency Plan (x 2)	VERY GOOD
Harborough DC	HDC Critical Ordinary Watercourses Condition Survey (x 2)	GOOD
Harborough DC	GIS layers 10k, 50k, 250k raster files OS background layers (4 disks), 10k Raster Mapping	VERY GOOD
Harborough DC	HDC Boundary map, HDC Flooding Log, HDC Shape File Names	VERY GOOD
Harborough DC	CD ROM - Local plan files, EA flood risk, Roads, Contaminated land	VERY GOOD
Severn Trent Water	Severn Trent Water DG5 Data	VERY GOOD
Anglian Water	Anglian Water DG5 Properties	VERY GOOD
Harborough DC	GIS Layers – Brghboun_region (Harborough Boundary), hs8_region (development limits for all settlements), Flood Defences	VERY GOOD
Harborough DC	GIS Layers - Flood Zone 2, Flood Zone 3 (superceded flood zones)	GOOD
Noseley Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Carlton Curlieu Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
East Langton Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Frisby Parish Council	Response To Historical Flood Questionnaire	GOOD
Marefield Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Horninghold Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Cranoe Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Goadby Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Peatling Magna Parish Council	Response To Historical Flood Questionnaire	VERY GOOD

Claybrooke Magna Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Thurnby & Bushby Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Kimcote & Walton Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Frolesworth Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Blaston Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Great Easton Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Cotesbach Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Claybrooke Parva Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Great Glen Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Little Stretton Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Skeffington Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Broughton Astley Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Dunton Bassett Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Medbourne Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Brighthurst, Drayton & Nevil Holt Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Withcote Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Slawston Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Theddingworth Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Geomatics Group	LIDAR Data	VERY GOOD
Kibworth Beauchamp Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Tugby & Keythorpe Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Smeeton Westerby Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Thorpe Langton Parish Council	Response To Historical Flood Questionnaire	VERY GOOD

Keyham Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Kibworth Harcourt Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Ullesthorpe Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Billesdon Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Bittesby Harcourt Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Illston on the Hill Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Swinford Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
North Kilworth Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Shearsby Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Allexton Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Scraptoft Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Lowesby & Cold Newton Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Knaptoft Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Mowsley Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Lutterworth Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Lubenham Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
Ashby Magna Parish Council	Response To Historical Flood Questionnaire	VERY GOOD
British Geological Survey	GIS layers of underlying geology	VERY GOOD
Leicestershire County Council Highways	Historical Flooding Data - Locations	GOOD
Environment Agency	Flood zones 2+3, centre lines, flood defences, areas benefiting, local planning authorities, national parks, county boundaries, EA boundaries, OS background tiles, historical flood maps, flood storage areas (.tab and .shp files)	VERY GOOD
Environment Agency	Source_protection-_zones_050k (.dbf, .prj, .shp and .shx)	VERY GOOD
Environment Agency	Final modelling report, MIKE-11 model calibration runs and report files, appendices	VERY GOOD
Environment Agency	pdf - named 'Welland_Draft Final Plan_July08.pdf'	VERY GOOD
Environment Agency	Final modelling report, phase 1 and phase 2 topographic survey data	VERY GOOD

Environment Agency	Flood map, Anglian Northern Water management area, non main river map, historic flood map, area at risk of flooding from rivers or sea, Flood Zone 2 (100yr with defences, without defences, with defences and climate change), Flood Zone 3 (100yr with defences, without defences, with defences and climate change), Flood Zone 3b (25yr with defences), historic flood map, raised defences, canals, raised defences, flood storage areas, areas benefiting, catchment, raingauges (.shp files)	VERY GOOD
Environment Agency	MIKE11 modelling, .shp files	VERY GOOD
Environment Agency	Groundwater Vulnerability Source Protection Zones (.shp files)	VERY GOOD
Environment Agency	Modelling cross sections from the modelling report produced for Broughton Astley Brook and the River Scence	VERY GOOD
Environment Agency	Historic flood levels (.shp), Broughton Astley Brook Model and Model Report + Appendices	VERY GOOD
