

# District of Harborough Garden Waste Service Calendar

The following calendar shows the weeks in which garden waste bin collections will be carried out for everyone using the Yellow bin collection calendar.

Your collection day will be on the same day as your blue-lidded recycling bin collection. All collection days are highlighted in green. There are no garden waste collections in December 2018 (except week commencing 10 December 2018) or February 2019.

An additional collection will take place week commencing 10 December- this is due to adverse weather conditions that affected collections during the week commencing 2 April 2018.
