Representation from the Magna Park is Big Enough campaign

7. Built environment

7.2 Is the plan sound in respect of its approach to heritage assets (having regard to any modifications the Council propose to make to the policy, as indicated in IC3)?

MpisBE response:

The Draft Local Plan at 8.1 needs amendment to conform to the new NPPF. It seems from HC1 that this work is in hand but would request that conformity with the NPPF at 8.1.1, 8.1.2, 8.1.3 and 8.1.12 is achieved.
