7	Currently the club uses 4 courts at Lutterworth Leisure Centre and the floor is regularly very slippery / dirty and unsafe. We intend to campaign for a refurbishment for the floor or a new facility we can use somewhere local due to this single issue. We are losing members due to this problem alone. The club also intends to expand its ability to cater for younger players and introduce a coaching section, initially within our Wednesday club evening 8-10pm session, then possibly to weekends if we get interest from local junior players.	2/9/2019 12:30 PM

1	The main hall is well lit and has good heaters. The floor is old, wooden and not in the best condition. We have to be careful to avoid splinters if sitting on the floor.	3/15/2019 10:49 AM
2	Needs work equipment in urgent need of replacement	3/15/2019 9:52 AM
3	Quality is good but there is very limited surround to the playing area.	3/14/2019 7:08 PM
4	An outstanding facility in all areas	3/14/2019 2:10 PM
5	Poor quality carpet and particularly the underlay. Spasmodic heating, cold and small changing area and toilets.	3/13/2019 5:08 PM
6	Training area is good but walls would benefit from being painted a darker colour. There is a problem with the storage area being too small and heavily used by others	3/12/2019 6:52 PM
7	Playing - new pitch is very good and will continue to improve with planned investment Training - excellent all weather surface Changing - Although refurbished to a high standard this needs further development as detailed previously in this survey	3/11/2019 4:07 PM
8	Excellent	2/13/2019 6:25 PM
9	some are better than others	2/11/2019 12:58 PM
10	We have 5 floodlit hard courts and a brand new clubhouse. 2 of the courts need re-surfacing, the other 3 courts are in very good condition	2/11/2019 10:17 AM
11	Quality of bot the courts, clubhouse and surrounding area is very good and all in good repair	2/10/2019 10:40 AM
12	The floor is always dirty, slippy and has damage. We constantly have to ask for the floor to be swept which slightly improves things but the venue is known as the ice rink within the league. The rest of the facilities are good.	2/9/2019 1:34 PM
13	The facility generally is good. The main issue our club has is with the quality and cleanliness of the sports hall floor where we play badminton. It is very slippy and always dirty, affecting our ability to play good badminton. More importantly, it is an accident risk for all players. The wooden floor also has faults (holes, uneven patches/fixes) and has tape regularly put down for other sports that causes trips. The floor is an embarrassment for our club when we host away matches for our Rugby District League, and other clubs have made complaints about it. Lighting, equipment etc otherwise is good. The young staff, however, are apparently untrained in cleaning processes and not professional in dealing with our issues. The Dry side management have tried to help us with our issues, but consistently fail to change things for the better.	2/9/2019 12:40 PM
14	well maintained	2/9/2019 10:23 AM
15	Swimming Pool; all OK, deep enough for what we need, wet... Meeting room; clean, well equipped with chairs and tables etc.	2/8/2019 8:08 PM
16	All courts, floodlights and clubhouse refurbished in last 5 years and in excellent condition - club save into sinking fund to maintain facilites	2/8/2019 3:07 PM
17	Generally ok, the floor can sometimes be slippery dependant on weather conditions and timing of the heating. Heating is an issue in winter, it's either off and can be extremely cold, alternatively can be too warm when it's on - no temperature control. Occasionally not all the lights are working. The League has contributed to the cost of sunken posts being installed.	2/4/2019 7:20 PM
18	Good equestrian facilities for the younger members	1/28/2019 12:59 PM

Harborough Sports Facilities Strategy - Sports Clubs Consultation

19	Well marked field	1/25/2019 8:07 PM
20	Excellent	1/24/2019 1:04 PM
21	Great facilities. Good flooring, plenty of space	1/23/2019 11:02 AM
22	Bowls carpet is the essential required equipment and underlay - current underlay is worn out such that the annual stretch of the carpet cannot be done for fear of 'ruining' the underlay.	1/22/2019 11:21 AM
23	Excellent premises, although we had to pay to upgrade the lighting to the standard required. We were unable to find suitable premises in Market Harborough which has severely hampered club development.	1/16/2019 2:12 PM
24	The green was laid 30 years ago and is in urgent need of major refurbishment at an estimated cost of £50,000 for which we are trying to raise funds	1/16/2019 12:18 PM
25	The surface is worn and slippery and the temperatures in winter can be too cold for youngsters	1/16/2019 8:40 AM
26	Facilities not well maintained. Floor often requires repairs during sessions. Lighting is poor and badly positioned. Toilets are not clean or maintained to a satisfactory level. Inadequate equipment storage space. Insufficient space around/between courts.	1/15/2019 9:48 PM
27	the ceiling is on a slanted roof and we require minimum 8 meters height. Preferable 10 meters for regional events. Floor is being replaced summer 2019. But we use gymnastics matting anyhow so not relevant to us. We have an overhead rig installed and wall bars	1/15/2019 8:25 PM
28	Open field	1/15/2019 8:14 PM
29	Well maintained - club includes maintenance plan in its development plan. This includes appropriate floor and wall work when required.	1/15/2019 6:22 PM
30	For Badminton really require suitable lighting to be lengthways down the sides of the court and not over the courts. The type of lighting to consider for any new Sports hall should be as at the LBA hall, Babington Academy, Leicester. Current facility really needs a cleaner floor and removal of any lines that are no longer required for other sports that are not carried out at the facility.	1/15/2019 4:39 PM
31	its fit for purpose, a bit tired but ok for what we need. Additional/new court would be nice but not essential	1/15/2019 4:22 PM
32	It's ok, it's very small and the ceiling is low so can't always do what we want to do in there but it's the only venue the club can afford	1/15/2019 3:46 PM

1	There is no car park for the hall.	3/15/2019 10:49 AM
2	Very poor storage	3/15/2019 9:52 AM
3	Insufficient parking at peak times. Expensive members storage facilities. Club seems to be treated as 2nd class.	3/13/2019 5:08 PM
4	Very small changing area and no showers but the biggest problem is storage for tables etc.	3/12/2019 6:52 PM
5	As detailed previously we need to have the following to continue to progress; changing rooms to be minimum 18m2 excluding shower & toilet areas match officials changing room to be minimum 4m2 again excluding shower & toilet areas each match officials changing room should have at least 1 showerhead & adequate toilet facilities exclusively for the use of match officials must be provided Provision should be made for changing accommodation for both male and female match officials, therefore 2 match officials changing rooms	3/11/2019 4:07 PM
6	No showers	3/5/2019 1:29 PM
7	Shared use of the changing facilities means access is limited - very limited access to a clubhouse with consequently no club identity off court. Football and male orientated clubhouse.	2/13/2019 6:25 PM
8	The Centre has lost a lot of funding over the last year or so and it shows unfortunately. Thw cafe has closed and no investment is now making the facility look dated.	2/9/2019 12:40 PM

1	The main issue I have with the church hall is the fact it is used during the day, all day Mon-Thurs and in the morning on Fri by a preschool so I am unable to run any day time class from there (other than a Friday afternoon).	3/15/2019 10:51 AM
2	Problems with bookings and lack of maintenance on vital equipment at out base club. Lack of refreshments at peak times. Parents or a coach has to go upstairs to the gym to replenish water bottles.	3/15/2019 9:54 AM
3	Only issue is lack of water time available	3/14/2019 2:16 PM
4	The bowls hall is not advertised outside or indeed hardly inside. Quite a lot of people say they didn't know it existed. We have to suffer loud amplified music/shouting from an adjacent room that has nothing to stop the noise coming into our bowls hall. Incidentally this room used to belong to the bowls club but was removed from us by SERCO. The only small relaxation area available to us is often used for training purposes and means that we have nowhere to sit and relax. The chairs are falling apart. One of the main reasons that people bowl is for gentle exercise and friendship at a reasonable cost. This is of great benefit to the older generation particularly after bereavement of a partner. The annual running cost of running the bowls hall is minimal with only lighting being used whilst bowling and heating during the winter. The facility could be used for other purposes by the older generation with a little bit of thought.	3/13/2019 5:13 PM
5	Being a canoe club, appropriate facilities are limited. The site at Hinckley meets our needs, although outside of our district.	3/5/2019 1:30 PM
6	Drug activity adjacent to courts and vandalism.	2/13/2019 6:26 PM
7	We do not have a fixed facility. We hire halls for road events (races and TTs) events, and use a range of sites for closed/off road events, including Welland Park, Misterton Hall, Leicester Cycle Circuit, Rockingham Raceway (which we can no longer access from 2019 onwards due to a change of use at the site)	2/13/2019 12:38 PM
8	I have completed the questionnaire as best I can if you need any further assistance please get in touch	2/11/2019 12:59 PM
9	None	2/10/2019 10:40 AM
10	Lack of volunteers to take over club administration	2/9/2019 10:24 AM
11	None.	2/8/2019 8:08 PM
12	The main problem is the lack of indoor tennis facilities anywhere locally! We have tried to get grants etc but none available to cover such a big spend	2/8/2019 3:08 PM
13	An increased number of netball courts would allow us to grow the league, we are currently looking to provide Walking netball and are struggling with court availability.	2/4/2019 7:23 PM
14	We were hiring the venue at Home Farm Hothorpe which has now been sold. There are no other suitable venues within the area - we are specifically endeavouring to widen membership and diversity in the club. Aiming to appeal to a wider membership that would have not traditionally seen themselves as pony club members, the lack of local training venue is having a significant impact.	1/31/2019 6:59 PM
15	Our biggest issue is the weather and not have anywhere very local to train indoors, we sometimes use Moulton College which is not easy as the College use the indoor school daily, and it is expensive for us, and we used to be able to go to Hothorpe Equestrian Centre but that is no longer available for hire.	1/28/2019 1:02 PM
16	Only 4 courts available which limits club growth. Current membership is ok but will have to limit membership in near future	1/24/2019 1:06 PM
17	Indoor bowls is not considered a priority facility within the Leisure Centre	1/22/2019 11:22 AM

Harborough Sports Facilities Strategy - Sports Clubs Consultation

18	We can only have the dome for 5 hours per week as it is fully booked all other times - this is the reason we cannot expand or introduce match play....we have to travel to Northampton on occasion or Leicester to find netball courts	1/16/2019 8:41 AM
19	Cost is too high for the quality offered, but there are few alternatives of equivalent standard with enough courts available. Staff are often unfriendly and not accommodating.	1/15/2019 9:52 PM
20	We are a not for profit club so hire charges need to be reasonable to cover costs for coaching, upkeep of equipment, and CPD of child safeguarding, first aid, coaching, judging etc. Plus club affiliation to county, regional, and national governing bodies. The problem we have seen is when hall hire costs are beyond the outgoings of a small community club	1/15/2019 8:33 PM
21	Only commented about the squash club. The cricket club needs their clubroom/ bar updating, would like an electronic scoreboard, use nets in the winter at local schools, need more volunteers.	1/15/2019 6:23 PM
22	Some of the lighting in the Sports Hall often goes out & may or may not start to come on again	1/15/2019 4:41 PM
23	no show stoppers!	1/15/2019 4:22 PM
