

New Age Kurling

A friendly New Age Kurling club held in the Wycliffe Rooms, George Street, Lutterworth. Running every Monday from 13:30-15:00

- The coolest game not on ice! Working alongside the rest of your team, try and get your stone closest to the target (similar concept to bowls)
- Come along and try something different, gain a new skill, meet new friends and have fun
- For those with limited mobility, sit down and use the pushers to push your stone towards the mat
- A hot drink and a biscuit is included in the price
- Just wear comfortable clothes and sensible shoes
- Kurling really is a game for everybody
