What is the Community Grant Fund?

For the year 2019 to 2020, Harborough District Council members have allocated £50,000 of their New Homes Bonus money and £10,000 from Harborough Lotto to be disseminated to Harborough communities through the Community Grant Fund.

Criteria

The Community Grant Fund is an inclusive fund, open to all Parishes, and voluntary and community groups. However, projects must deliver outcomes supporting community groups/projects in the Harborough District.

This year there will be the following grant priorities:

<table>
<thead>
<tr>
<th>Theme</th>
<th>Limits</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prevention of Rural Isolation</td>
<td>£1000 - £5,000 (maximum of 75% of the costs)</td>
<td>Inclusive projects to help relieve rural loneliness for all ages.</td>
</tr>
<tr>
<td>Supporting Arts and Culture</td>
<td>£1000 - £5,000 (maximum of 75% of the costs)</td>
<td>Projects strengthening communities and bringing people together.</td>
</tr>
<tr>
<td>Improving the Environment and or helping climate change</td>
<td>£500 - £5,000 Public liability insurance accepted as match funding (maximum of 75% of the costs)</td>
<td>Projects will need public liability insurance and this could be the match funding element from the organisation applying. A risk assessment would need to be included.</td>
</tr>
<tr>
<td>Improvements to rural facilities</td>
<td>£1,000 - £5,000 (maximum of 75% of the costs)</td>
<td>Capital funding for Parish Councils, and properly constituted Community and Voluntary Sector organisations, to assist with the renovation, improvement and provision community facilities.</td>
</tr>
</tbody>
</table>

Other points to consider:

- No funding for groups that have received money in the last 2 years
- Match funding will be weighted in scoring
- Maximum of 25% staffing costs
- Safeguarding and Equality not to be scored but required if relevant to project.
- Projects that can demonstrate sustainability will be given extra weight in the scoring process.
Funding for staffing costs is not encouraged unless it can be demonstrated that it is instrumental to the delivery of the project. Only 25% of total sessional staffing costs for the project can be requested, up to a maximum of £5,000.

Projects would ideally be delivered within 12 months, 24 months maximum.

The Council reserves the right to refuse applications.

**Types of projects we can support**

The Community Grants may be allocated to both Capital and Revenue projects.

**Projects we cannot fund**

- General running costs such as utility bills and maintenance
- Items or projects which only benefit an individual
- Activities promoting political or religious beliefs
- Section 26 of the Counter-Terrorism and Security Act 2015 places a duty on Local Authorities to have due regard to the need to prevent people from being drawn into terrorism. In complying with the duty we must ensure that publicly-owned venues and resources do not provide a platform for extremists and are not used to disseminate extremist views.
- Projects which are essentially to maintain and upkeep a facility or an organisation rather than to improve or expand facilities or services offered.
- Fundraising activities for organisations
- Any expenditure incurred or committed before we approve the proposal.

**How much can you apply for**

Applicants should be requesting a minimum of £1,000 (with the exception of the environmental projects) and a maximum of £5,000.

The grant panel can make the decision to offer part of the funding requested rather than the whole amount.

**The Grant Process**

All applications go through an 8 week grants scoring process. This involves an officer grants panel, making recommendations to the Executive Sub Committee for grants, at Harborough District Council. Applicants will be informed shortly after the Executive meeting with regards to the success of their application by letter.

Grants will be scored consistently against a scoring sheet associated with the criteria above. The application form has been designed to capture all the information required to score each application consistently.

Successful applicants will be asked to sign a terms and conditions document for accepting the funding. On receipt of this signed document, payments will be made, preferably by BACS.

**Who can apply**

- Town/Parish Councils or constituted Parish meeting
- Any constituted community/voluntary group working in the Harborough District
- Registered charities
- Schools with projects providing a demonstrable wider community benefit

**Who we cannot fund**

- Organisations which aim to distribute a profit
- Individuals
• Organisations promoting religious or political beliefs. However, places of worship are eligible where funding is for adaptation or improvement for community use.

Monitoring
Projects must carry out monitoring and evaluation. Evidence must be forwarded to the Council upon completion or at a set time. A successful application will receive an offer letter outlining the conditions for this. You will need to:

• Show how you have achieved your objectives
• Identify which groups of people and how many have benefited from your project
• Explain how will you celebrate your success?
• Will there be any publicity associated with your project?
• Offer feedback on the grants process
