## Children and Youth Consultation

We were keen to hear the views of the children and young people of Kibworth and those who go to school here. We have been to visit:

**The School Council, Kibworth C of E Primary**

**The School Council, The Kibworth School**

**3<sup>rd</sup> Kibworth Guides**

**1<sup>st</sup> Kibworth Cub Scouts (Arctic Wolves and Mountain Wolves)**

### What we did

Our **questionnaire** asked them what they liked about living here, what is important about the place they live in and what they would like to change.

If time allowed, we then asked them to design **a tourist poster** to show what's great about Kibworth Beauchamp and Kibworth Harcourt.

### We also played some games!

Runaround Kibworth Quiz - *Some multiple choice questions about Kibworth – answer by running to different parts of the room*

My dream village - *Play like 'consequences' in groups – a chance for wild dreams and imagination.*

Potato priorities: the fight for community funding - *In real life, there is a shortage of money to fund e.g. schools, medical facilities, sports facilities. A run around game trying to get potatoes (i.e. funding) for your project.*

A grand design - *Building a fantastic structure with only spaghetti and marshmallows!*
