Welcome to the Harborough District Council Tax Guide

Harborough District Council is responsible for collecting council tax in the district, which is then distributed to authorities providing public services in the district:

- Leicestershire County Council
- Leicestershire Police and Crime Commissioner
- Leicestershire Fire Authority
- Harborough District Council
- Parish and town councils

Please read on to find out about the different ways to pay your council tax, discounts and exemptions, and support schemes.

Your council tax explained

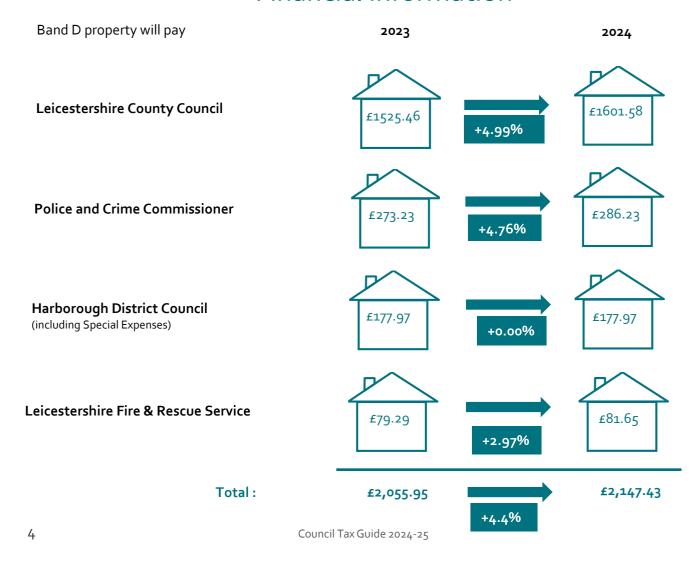

Council tax is a local tax used to fund local services. Council tax contributes to Council, police and fire services, together with income from Government grants and other charges.

Owner-occupiers usually have to pay their council tax bill. In rented homes, the tenants have to pay. In the case of the majority of empty homes, the owner has to pay. The owners of the following properties also pay council tax:

- Residential care homes, nursing homes and hostels
- Those occupied by:
 - a) A minister of religion or a religious community
 - b) More than one household
 - c) Resident staff or asylum seekers.

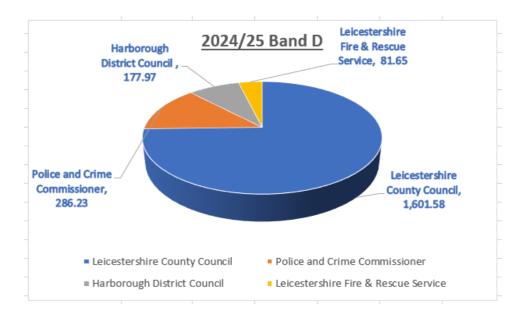

Harborough District Council receives less than 10% of the total council tax. The rest contributes to services provided by the county council, the police and crime commissioner, the fire authority, and parish/town councils.

Council Tax Support Scheme

From April 2013, Council Tax Benefit was replaced by a local Council Tax Support Scheme.

The Government reduced the amount of money local councils received to provide full discounts on Council Tax for working age people.

Everyone under state pension age must pay some council tax.

In 2023/24, working age people (in receipt of maximum Council Tax Support) have to pay 15% of their council tax charge.

It is important that you contact us as soon as you receive your council tax demand notice if you need help and advice on how to pay your charge.

People of pensionable age who were in receipt of council tax benefit are protected from these changes. You will continue to receive the same level of support that you would have done under the council tax benefit rules.

Important note:

If your circumstances change you should report this to the council within a month of the change occurring. Failure to do this will be dealt with as an act of fraud. You can ring us on o1858 828282, email: benefits@harborough.gov.uk or write to us at: F.A.O. Benefits Team, The Leicestershire Partnership, PO Box 10004, Hinckley, Leicestershire, LE10 9EJ.

How to pay

Paying council tax over 12 months

Council tax instalments can now be spread over 12 months instead of 10. Following your request, the number of payments will be dependent on the number of months remaining in the financial year. Your written request for 12 monthly instalments will automatically apply to the next financial year. If you would prefer to revert back to paying over ten months, please notify us in writing and we will amend our records.

If you would like to pay your council tax over 12 months, please email your request detailing your name, full address and council tax reference number (shown on your notice) to counciltax@harborough.gov.uk or write to us at F.A.O. Council Tax Team, The Leicestershire Partnership, PO Box 10004, Hinckley, Leicestershire, LE10 9EJ. Alternatively, please call Customer Services on 01858 828282.

Pay your council tax or business rates by Direct Debit

Direct debit is simple, convenient and secure.

You only need to set up a direct debit for council tax or business rates once. There is no need to cancel it at the end of the financial year.

Your payments will be collected automatically from your bank account on the dates shown on your demand notice.

Protected by the direct debit guarantee

After your final 2021/22 instalment has been collected, no further payments will be taken until the 2022/23 financial year starts and the first instalment becomes due in April 2022.

Set up a Direct Debit online by going to www.harborough.gov.uk/council-tax-pay

Discounts

Council tax assumes there are at least two adults living in the home. If you live on your own, you are entitled to 25% discount.

If the property is a second home, or is a house that is unoccupied but furnished, there is no discount in the charge.

If an adult within the household falls into one of the following categories then a discount may apply:

- Full time students, student nurses, apprentices, youth training trainees and foreign language assistants
- •18/19 year olds who are at or have just left school or college
- Patients resident in hospital or being looked after in care homes
- Severely mentally impaired people
- •People in hostels or night shelters
- •Low paid care workers usually employed by charities
- •People caring for a person with a disability who is NOT a partner or child under 18 years old
- Members of religious communities such as monks or nuns
- •People in detention (except for non-payment of council tax or a fine)
- Members of visiting forces, certain international and defence organisations.

Temporary absences owing to holiday or work will not normally result in discount entitlement.

Local discounts – empty property

Harborough District Council also has a local discount scheme for properties that are unoccupied and unfurnished. These properties are entitled to a one month discount of 100%.

Annexe discount – From 1 April 2014 annexes meeting certain criteria are entitled to a 50% discount. To qualify for a discount the annexe must be occupied by a relative of the person who is liable to pay council tax on the main home. If it is unoccupied the annexe must be being used as part of the main home. Please contact us for more details. If you wish to apply, we will send you an application form.

Disabled people

A property band reduction in the charge may be applicable if you, or someone who lives with you, is disabled and uses a wheelchair within the property or requires a room to meet their needs, or requires an extra bathroom / kitchen. Please contact the Council Tax Team if you wish to apply.

Cyber Crime

If you are worried that you have been scammed, defrauded or have experienced cyber crime, Action Fraud is the UK's national reporting centre for fraud and cybercrime where you should report fraud. You can also find information on their site about free cybercrime protection and prevention advice.

In areas where there are parish or town councils, a portion of your council tax is given to them to provide certain services, such as grass cutting and cemeteries. The following information gives you the financial details for the majority of our parish and town councils. Where there is no parish or town council, the District Council may take on some services. These are called Special Expenses - see page 11 for more information.

Flood defence Council Tax Guide 2022-23

The Environment Agency is a levying body for its Flood and Coastal Erosion Risk Management functions under the Flood and Water Management Act 2010 and the Environment Agency (Levies) (England and Wales) Regulations 2011.

The Environment Agency has powers in respect of flood and coastal erosion risk management of main river and along tidal and sea defences in the area of the Trent Regional Flood and Coastal Committee (2369km), Anglian Northern Regional Flood and Coastal Committee (2292km) and Severn and Wye Regional Flood and Coastal Committee (2486km). Money is spent on the construction of new flood defence schemes, the maintenance of the river system and existing flood defences together with the operation of a flood warning system and management of the risk of coastal erosion.

Leicestershire County Council pays flood defence levies to the following Regional Flood and Coastal Committees (RFCC) of the Environment Agency

The financial details are:

The majority of funding for flood defence comes directly from the Department for the Environment, Food and Rural Affairs (Defra). However, under the new Partnership Funding rule not all schemes will attract full central funding. To provide local funding for local priorities and contributions for partnership funding the Regional Flood and Coastal Committees recommend through the Environment Agency a local levy.

A change in the gross budgeted expenditure between years reflects the programme of works for both capital and revenue needed by the Regional Flood and Coastal Committee to which you contribute.
