Appendix E. Fleckney - Foxton Bus Timetable

Service bus 44 starts at Fleckney and takes a somewhat circuitous route to Foxton via Market Harborough as described by the red line on the map. The return journey departs from Foxton via the black line, passing the settlement of Gartree before turning right and making its way on the red line to Market Harborough and onwards to Fleckney. Hence, there is no stop at Gartree on the route from Fleckney to Foxton. Passengers need to stay on the bus in Foxton and wait for it to start the return journey; the first stop along from Foxton is at Gartree.

Service bus 44 route through the villages of the district

The timetables below have been taken from the website for Centrebus, the service provider for bus route 44¹.

Monday - Friday times are shown separately from Saturday times, although they are identical. There is no service on Sundays or Bank Holidays.

In the lower part of the table, it can be seen that the first bus to arrive in Gartree is the 0648, which departs from Foxton at 0646. This bus is only useful for the very few staff who may reside in the village of Foxton itself. The first bus to arrive from Fleckney is the 0653 via Foxton, arriving at 0757. The same bus serves Market Harborough, leaving the station at 0730.
