Do you want to be part of the team working with local residents and businesses to develop a Neighbourhood Plan for Medbourne?

The Medbourne Neighbourhood Plan Advisory Committee (MNPAC) is looking for two new members to join the committee. The Parish Council has just appointed external support to guide the MNPAC and provide technical expertise, so we're keen to start getting the wider community involved.

The MNPAC meets monthly (third Wednesday of the month at 7:30pm in the Village Hall). Committee members will be working in groups with other members of the community to look at all aspects of village life, for example the environment, history, village facilities, housing, transport and business.

You don't need any special skills or expertise, but you do need to be committed to working with people in Medbourne over the next 18 months to make sure we get a Neighbourhood Plan that reflects the kind of development local people want.

If you are interested in joining the MNPAC please contact:

Your Village Needs You!!

Can you spare 15 minutes to come and have your say about future planning and development in Medbourne?

**Drop into Medbourne Village Hall
anytime between 10am and 1pm
on Saturday 18th June.**

Last year many of you answered a Parish Council questionnaire about the future of Medbourne and whether you wanted a Neighbourhood Plan. Most people said 'yes'. To make this Neighbourhood Plan happen we need to find out more about the things you think are important.

The Neighbourhood Plan isn't just about housing, it is about the whole village and what you want it to be like in the future.

**Come along for a chat, a cuppa
and some cake.**

medbourne neighbourhood plan

We want you to tell us -

- What is important to you about Medbourne?
- What views and green spaces do we want to keep?
- Are there other services that we need?
- Do we need to do more to encourage small local businesses?
- What kind of houses do we need? What should they look like?

This is your chance to have a say in what Medbourne will be like in the future. The Harborough District Council options being considered may require 35-40 houses to be built in Medbourne over the next 15 years. Come and have your say on what type of houses these are and where they are built.

The Medbourne Neighbourhood Plan will be a statutory part of planning so it is vital that it reflects the wishes of the village community.

Information about the Medbourne Neighbourhood Plan Advisory Committee (MNPAC) can be found on the Neighbourhood Planning pages of the Parish website or telephone Bernadette Lee (MNPAC Chair) on 01858 565648.

Medbourne Neighbourhood Plan Advisory Committee (MNPAC)

medbourne neighbourhood plan

We want to know what is important to you!

A Neighbourhood Plan is being written for Medbourne. This will be a statutory part of planning so it is important that it reflects the wishes of the people who live here. It isn't just about housing; it is about the whole village and what you want it to be like in the future.

If you would like to join one of the groups looking at 'Heritage and the Environment', 'Community facilities, economy and transport' and 'Housing' just talk to anyone on the Medbourne Neighbourhood Plan Advisory Committee (MNPAC) or find more information on the village website.

History and Heritage, development and change, economic growth and agriculture, housing and transport. All these subjects are important in today's world and all relate to the village we live in.

How will Medbourne look in the future and how can the residents of today influence the legacy for the future generations?

The unique character of Medbourne is to be treasured. Undoubtedly there will be changes and

development and the challenge is how the village can manage those changes.

The Neighbourhood Plan Advisory Committee is working to collate all the villagers thoughts, ideas and visions into a cohesive plan which will influence planning and the environment in the years to come.

Three theme groups have been formed; "Heritage and Environment", "Housing", "Community, Economy and Transport". The groups consist of local residents who expressed an interest at the Open Day in June and members of the Advisory Committee. The groups are up and running and all would welcome further input from anyone in the village.

This might be just chatting to someone on the Committee or a member of a theme group, coming to a meeting or jotting an idea down and passing it on. Remember everyone can be involved.

Questionnaire

March 2017

We would like everyone in your household to complete a questionnaire. Please complete online if possible as it will help us to analyse the results more quickly and efficiently

www.surveymonkey.co.uk/r/medbourne

We will collect paper copies in the next two weeks. If you are out when we call to collect your questionnaire, they can be dropped off at the Medbourne Village Shop. All responses need to be received by 5pm on Wednesday 22nd March

A previous questionnaire from the Parish Council showed strong support for a Neighbourhood plan. The information from this questionnaire will be used to guide the advisory committee who are preparing the plan, and who wish to involve as many village residents as possible.

The Neighbourhood Plan:

- Describes how we want Medbourne to develop over the next 15 years.
- Includes village facilities, transport, employment, heritage and green spaces as well as housing developments.
- Is an important part of the planning process and has legal force.
- Has to be agreed by referendum in the Parish.

More detailed information is on the Parish Council website, <http://www.medbourne.org.uk> including the feedback from the open meeting on 18th June 2016.

All responses will be used solely for preparing this Neighbourhood Plan. Your participation in this questionnaire, together with your individual responses to the questions asked, will be kept confidential and no-one will be identifiable in any published results.

If you would like any assistance completing this questionnaire, please contact David Nance on 07798 920049

***On behalf of Medbourne Parish Council's Neighbourhood Plan
Advisory Committee thank you for your support.***
